

Services to hospital doctors

Larking Gowen offers tailored packages for more than 160 NHS consultants; for those who run a private practice on a self-employed basis, as well as those who are employed."

What we offer

Larking Gowen can give you general business advice and help you with your personal tax arrangements.

We can make sure you have the right structure in place for private work.

Changes in annual allowance rules are complex; we can help you avoid hidden tax charges.

We can make sure you're maximising your tax reliefs by claiming all you're entitled to.

We will provide you with a single point of contact; someone who knows about your accountancy affairs and can help you with any day-to-day queries.

Our expertise

Larking Gowen is a major regional independent partnership of accountants and one of the UK's top 40 accountancy firms.

As members of the Association of Specialist Medical Accountants (AISMA) we're aware of current issues affecting the NHS, such as the NHS Pension Scheme.

We've developed a specialist medical team of accountants who understand the needs of medical clients and are confident that we'll be able to advise you on the most effective way forward.

Our costs

Your initial consultation is free. At this meeting, we'll provide you with a realistic estimate of our costs.

We'd be pleased to meet you to discuss your personal tax situation and the range of services that we can provide for the medical sector.

We can arrange daytime or evening meetings to suit your needs.

Please get in touch to arrange a meeting, without any obligation or cost.

Our services

We have specialist departments in personal tax and an in-house technical tax team, so you can be assured that you'll receive the most up-to-date proactive advice.

We can advise you on:

- Income tax returns
- Capital gains tax
- Inheritance tax planning
- Personal tax planning, compliance and mitigation
- Tax planning for property ownership
- Structuring divorce settlements
- Investment advice
- Personal financial planning
- Retirement planning

Why might I need an accountant?

Some typical questions we receive from clients:

- I have income from a variety of sources, including my NHS salary and benefits. Can anyone help me with my tax return?
- I have a private practice – what expenses can I justifiably claim against my income?
- How can I predict whether my income in retirement will be sufficient?
- Am I (and my family) paying too much tax?
- How can I mitigate the capital gains tax arising on my investments?
- Is my will tax efficient and how much inheritance tax may be payable?
- How can I make gifts to my family without paying tax on them?
- Should I put my practice in a limited company?
- Should my insurance policies be written in trust?
- Do I have an annual allowance tax charge?
- How can I check my NHS Pension benefits are correct?
- What impact will the McCloud judgement have on me?
- How do I know if I have breached my lifetime allowance?
