Are you paying too much tax?

As providers of accounting and tax services, we work closely with our clients to gain an understanding of the industry specific challenges that the motor retail sector faces and the ways to avoid common pitfalls.

Our experienced team has an in-depth understanding of the areas that HMRC regularly target on motor dealer compliance reviews, and can make sure you get optimum tax relief.

How we can help

We're offering to review your last two years' corporation tax computations for free to see if there are areas that we could help to save you tax.

If we feel that you have minimised your tax as far as possible, we'll let you know – giving you peace of mind, at no cost to you.

If, however, we believe that we could save you some money, and if you wish to proceed, we would work with you to make a claim to HM Revenue & Customs (HMRC).
